Minstrel Entertainment

Local Talent Makes Fine Showing

Wednesday evening, the 11th, the Empress Theatre was taxed to its capacity when the Ponoka Minstrels gave their entertainment. Just how to give an adequate description in words is somewhat puzzling. From the opening number to the close there was not a dull moment. Screams of laughter as "local hits" and fantastic contortions came forth, while the singing, individual and in chorus met hearty appreciation.

Of course there must have been a great deal of time put into the work, with the result that every member was "on his job." Ponoka has always been able to bring forth a good male choir, and the boys were certainly up to the mark. The costumes were unique and original, and altogether it was the best minstrel show ever given in Ponoka.

Mention must be made of the Jazz Band, J. Richmond's dancing, and Chris. Schmidt's "aw solo," which fairly brought down the house.

As it was a nice show, nothing more or less, criticism on any digression is somewhat out of place. It should always be borne in mind that singers, like poets, are torn, not made, the blood must be there, thus any imperfections that could be noticed in their articulation while giving their baggage selection, "Die Wacht am Rhein," must be overlooked, always remembering that Scotsmen are Scotsmen and niggers are just niggers!

The personnel of the troupe are as follows—J. J. Fox, Chris. Schmidt, W. Baehor, S. Bird, H. J. Holmstrom, Bruce Stephens, J. Richmond, G. E. Clarke, T. A. Stewart, A. L. Farnum, R. B. B. and G. E. Bowker. A. J. Kerr was intercomedian, while Mr. Bolland was accompanist.

The proceeds amounted to about \$325, which go to the baseball and band.

OBITUARY

W. J. MUIR

Many of our readers will learn, with regret, of the death of William J. Muir, which took place in an Edmonton hospital on Wednesday, May 11th.

Deceased was 62 years of age, was born in Scotland, and came to Alberta from the United States over 20 years ago. He took up farming in this district, and lived in the Brooks district up to about 15 months ago, when he purchased the Harry Smith property north of town. Selling out his move to B. P., but returned to Alberta and purchased a farm in the Leduc district.

Mr. Muir was well known in our community, and held in very high esteem.

CHAS. A. STEPHENS

In the death of Chas. A. Stephens, which took place at his residence, in Edmonton, on May 12, another old Ponokaite has been called to his long home. Mr. Stephens moved to Edmonton with his family a number of years ago. He was well known in Ponoka, where he engaged in the livery business.

Besides Mrs. Stephens, he leaves a daughter and three sons. A brother, Edward, is an esteemed farmer in the Earlville district.

Noble Farms in Liquidation

Largest Farm in West Has Large Liabilities

The Noble Foundation, the largest farming concern in western Canada, has gone into voluntary liquidation. By an order issued Friday by Mr. Justice Simmons, Calgary, the court named H. E. McDonald, of the inspectorate staff of the Merchants' Bank, in Calgary, as receiver for the foundation.

Among the creditors interested the chief is Henry Carleton, of Seattle, trustee for the bondholders in the recent bond issue of \$500,000, sold by the foundation. Others are the Merchants' Bank, the Bankers' Trust, of United States. The total liabilities are not revealed, nor are the assets.

The foundation, which is headed by C. S. Noble, controlled more than 30,000 acres of land, of which over 20,000 was in one farm, at the Cameron ranch, north east of Lethbridge. This big ranch was purchased in 1917 from the Cameron estate of New York. In addition to this, there are five other farms, with the town of Noble for as their centre.

During his operation of these farms Mr. Noble came to be known as one of the most expert dry farmers in the west. He was noted also as a seed expert. During the past two or three years the foundation has suffered from crop failure, although last year a large yield of wheat was taken from the Cameron ranch.

Prof. James Murray, formerly of the federal demonstration farm at Brandon, is secretary-treasurer of the company.

Waukegan, Ills., May 14.—A suit for \$20,000 damages for the loss of a five-year-old daughter's left eye, which it was alleged was scratched out by a vicious rooster, was filed by Leonard F. Kinney against Emil Wiencek, the child's uncle. Wiencek owns the rooster, which is declared on other occasions to have shown a disposition to attack persons.

National Grain Marketing in U.S.

Chicago, May 14.—The general office of the American Farm Bureau Federation, under whose leadership the National Co-operative grain marketing plan incorporated as the United States Grain Growers' Association, announced yesterday that reports from all parts of the country showed that the organized agriculture was practically a unit in favour of the plan.

Reports of favourable action on the plan, as announced, have been received from farmers' organizations in Kansas, Iowa, Nebraska, Washington and Idaho. It was said, have voted to join the United States Grain Growers en masse on the basis of pooling 100 per cent of a crop.

The American Farm Bureau announced the biggest single sale since the inception of the wool pool marketing department of the bureau. This was the sale of 1,100,000 pounds to an eastern mill at an average price of from 30 to 27 cents.

CLEANING THE TOWN

The middle of May, and several of our main streets are impassable, or almost impassable, on account of mirage. Lots of money has been spent in grading, but to no purpose. Apparently no improvement until such time as there is drainage, and when that will come passeth the knowledge of man.

All the same the town council have been doing good work on the streets, and were it not for the stagnant pools around the town hall the town's appearance would be much improved.

In the residential parts much work is being done by the citizens, who are taking pride in their homes. Now that stock are precluded from being at large within the town's limits, the people are taking a pride in their work, old fences are being taken down, lawns laid out, and what is most gratifying of all, trees and shrubbery are being planted.

Just a little time, a continuance of the good work, and we will have a town comparable with any.

Phone 101

CHIEFS
OF
TOWN AND
DISTRICT

Local News.

Tuesday being the 24th of May, all places of business in town will be closed. Try and remember this.

Earl Kyler honored Calgary with a visit this week.

Mrs E. G. Headley made a business trip to Calgary this week.

A. A. Graham is having some neat improvements carried out on his residence, Chipman Avenue.

Mrs Jack Barclay, of South Edmonton, was a recent visitor with Mr and Mrs J. Bryan at the hospital.

Miss Isabell Dick went out on operation for appendicitis in the Lacombe hospital on Friday. She is doing nicely.

Mr and Mrs A. A. Graham and Mr and Mrs Geo. E. Clarke motor to Edmonton the first of the week.

J. H. Galbraith was in town over the week-end. He has been appointed accountant in the Bank of Commerce at Pincher Creek.

Mrs Colla McDonald is enjoying a visit from her father and mother, Mr and Mrs A. G. McKay, of Woodstock, Ontario.

Mr and Mrs W. A. Martin returned from their visit to California on Tuesday. They are both looking well, and feel better of the change.

On account of indifferent health Geo. E. Clarke has been advised to take a rest from his bank duties for a time. During his absence his place will be taken by Mr G. Shumner, of Cl. resolution, who arrived with his family the first of the week.

W. A. Porteous, of Taber, met with a serious accident the other day while riding. The horse gave a sudden spring, and the colonel was thrown violently against the saddle horn with serious results. Mr Porteous is well-known here, having cried a number of sales in this district two seasons ago.

Two new appointments have been made to the hospital staff. Dr. D. L. McCullough and his wife, Dr. Mary McCullough, of Belfast, Ireland, have just arrived. Dr. McCullough is a graduate of Trinity College, Dublin, and is a specialist in T.B. work, where there is considerable in the hospital. Dr. Mary McCullough is a graduate of Queen's College, Belfast, and will have charge of the new Pathological Laboratory. This is a new departure, and the laboratory is just being completed. It will be properly equipped, so that all the pathological experiments can be taken care of right on the spot. Dr. Mary McCullough has training to specially equip her for this department.

The Ponoka Minstrels will re-appear in the Empress Theatre on Wednesday evening, June 1st.

It is gratifying to report that 14 Ponoka students have come out well at the University examination.

DEAL.—On Saturday, May 14 to Mr and Mrs G. Deal, a daughter.

HOAR.—On Wednesday, May 11, to Mr and Mrs W. J. Hoar, a daughter.

MORRIS.—On Monday, May 16, to Mr and Mrs E. T. Morris, a daughter.

WATT.—On Thursday, May 12, to Mr and Mrs Jas. Watt, a daughter.

H. B. Shively, shoemaker, has moved into the E. Brown harness shop, opposite the post-office, and is now in the position to handle all repair work.

Tenders are being called for the erection of a nurses' home at the hospital. It will be a substantial structure, and a large staff of workmen should be employed in its erection during the summer.

A very fine display of the northern lights was witnessed Friday evening. Covering the heavens in all directions the unique phenomenon was much admired.

Seeding in our district is practically completed, and the grain has been put in the ground under the most favorable conditions. With ample moisture all vegetation is coming along nicely, and the stock is in fine shape. Our local creameries are doing a record business.

There is no apparent let up to Edger Bruce's gas well. He has been using it for all heating purposes on the farm, and the flow is just as strong as it was the first day that it was struck. The well is 190 feet deep. It's a wonder that others in the neighborhood are not trying their luck.

Fencing on all sides. No matter in what direction you travel it is fence. The fencing of what is known as the Hudson's Bay property, on the east side of the river, is the latest. Mr McCorkell has been busy for sometime, and now his land is all closed in. Then the C. Wing property to the north, the Larson to the west, and all the land to the south. There is no free grazing left. All this fencing and clearing denotes advancement. This is all very well, but fine walks will be no more, and without the timber the wind gets free vent.

Garments of all kinds cleaned and pressed. Specialist in chemical dry cleaning. A. P. Veilleux, Telephone 51, Ponoka.

A shadow social and dance will be held in the Blackstone hall on Monday evening, May 23rd.

The Ladies Aid are holding a bazaar and tea in the Hotel Block on May 21st. Any donations from the congregation for the bazaar will be thankfully received. Donations will be left at Mr Cunningham's store.

THE HERALD.

Asker

Beautiful foggy weather and feeling almost as if I was drawing near for a picnic. Let us think of pleasant things now after all this turmoil and strife of the past few months.

Rev. Ellington is coming down from Camrose next week to read with the class in confirmation. The confirmation takes place on May 29.

Mrs. J. E. Krefling was at home to her friends on Saturday afternoon and evening and entertained a whole household.

W. Tensie finished his contract at grading the roads, but alas! there is something else sadly needed. Is there not some man with a drag available somewhere in the district? At present the road is impassable.

Miss Louise Stabenfeldt is keeping house for her brother George these days.

Miss Bertha Shale spent Saturday evening and Sunday at the J. E. Krefling home.

Miss Myrtle Krefling entertained in honor of her birthday last Sunday.

E. Halfer, who has been spending a week or two with friends in this district, left for his home in B.C. on Monday.

Climax

The majority of the farmers have about finished their spring work which is remarkably early for this season.

Last week's rain was a boon to crops. Wheatfields, grass and trees are now turning green.

Stephenson and few are drilling a well for Mrs. M. E. Owens, and are meeting with excellent success so far. They hope to have the well completed during the week.

F. S. James and family spent Sunday with relatives in Calgary.

Mrs. M. E. Owens has purchased a half-section of land near Tristram and will fence the same for grazing purposes.

Martin Belstar and family of Ponoka were guests of the B. R. Hensley home on Sunday.

Morningside

The illustrated lecture that was announced for Morningside some weeks ago, and was postponed, will come off Friday evening, May 20. This promises to be very interesting, and a large crowd is looked for.

After the lecture a social evening will be enjoyed. Ice cream, lemonade, candy, cake and sandwiches and coffee will be sold. A collection will be taken in aid of missions.

Proceeds of refreshments will be in aid of Ladies' Aid society.

The monthly meeting of the W.M.S. will be held at the home of Mrs. Grant, c. Thursday, May 19. All the ladies in the district are invited to attend this meeting.

The hour of religious services has been changed from 4 o'clock to 2 o'clock and Sunday school from 9 to 10.

Mr. and Mrs. Stelfox have greatly improved the appearance of their property by erecting a varnished road front.

Jack Stelfox, who has spent the winter in the north country, is visiting with his parents here.

The Dyers have moved into the house, which was recently vacated by Mr. and Mrs. Stelfox.

Will Grant, who has been attending Verily, left last week for Camp Bonley, where he will resume his studies in flying.

S. M. Bolton made a business trip to Bentley on Monday.

Mrs. Schultz, of Edmonton, is visiting with her parents before leaving for the north.

Mrs. Sebale, of Lacombe, passed away on Thursday, after a long and trying illness, in her 60th year. The late Mrs. Sebale, who was well-known in this part of the country, was highly respected, and was a woman in the true sense of the word.

Kindly in thought and disposition, and very much devoted to her family. Her husband also leaves two daughters, Mrs. (Rev.) Gunn, and Mrs. Brooker, also a son, Harry, at home.

The funeral service was held from the Methodist church, Lacombe, last Sunday, interment taking place in the Lacombe cemetery. Sympathy is extended to the bereaved family.

John Blackstock has sold his farm, west of town, to Mr. Chas. of Calgary, who is moving here this week.

Mr. Heaman, of Vancouver, paid a flying visit to our midst last Sunday.

Water Glen

"The Village Lawyer" will be played by the Water Glen Dramatic Society in the Wood River hall, Tuesday, May 24, and in the Main U.F.A. Hall on Friday, May 27th. Tickets will rise at both places a 9 o'clock show. Prices—Adults 50c; children 25c.

At the U.F.A. meeting held last Thursday, it was decided to hold the annual picnic on Friday, June 3rd. Committees were appointed, and plans are being made to have

one of the best picnics that has ever been held in Water Glen. Full particulars later. We thank the Asker Union for sending delegates to our meeting.

Jack Dunkerley, John Shipley and E. W. Howitt spent Sunday with Bachelor Bill on section 9.

Mrs. Chas. A. Johnson entertained a few friends Saturday afternoon.

Miss Edith Haggland has been visiting with her sister, Mrs. Viellens, Ponoka, for the past week.

We are glad to know that little Milton Nelson is recovering nicely after being treated for blood poisoning in the arm.

Mr. and Mrs. Chas. A. Johnson were guests of Mr. and Mrs. T. B. Phillips Sunday last.

CHURCH NEWS

ST. MARY'S CHURCH
Trinity Sunday, May 22nd.
Matins and Holy Communion, 11 a.m. Confirmation Class, Friday, May 20th, at 3:45 p.m.

BAPTIST
Services for Sunday, May 22, 10 a.m. church service at 11 a.m. Sunday school at 12. Ponoka, 7:30 p.m. "The Slave's Grinle," Special singing, hearty service. There is always a welcome for you at the home-like church.

The people's meeting will be held at the home of Mr. and Mrs. Johnson. Subject for discussion "Baptism." All are invited. Wednesday at 8 p.m. prompt.

The choir will meet for practice Friday evening at 8 o'clock. New voices welcome.

UNION CHURCH
Sunday, May 22—11 a.m., "The Reconciliation of Jacob and Esau," 7:30 p.m., "The Resurrection of an Old Time Slave." All are heartily invited. At the evening service John Reed Jones, of Wood River, will sing solo.

The Women's Institute will hold a sale of cooking and silver tea in the rest room, for the rest room fund, on June 8th. Donations will be gratefully received.

Mrs. A. Rogers, corresponding secretary of the Federated Women's Institutes of Canada, as well as provincial secretary of the A.W. Institute, will speak in the Union church May 31st, at three o'clock.

Mrs. Rogers is in very close touch with the institute throughout the Dominion. All ladies of town and community are invited to attend.

NOTICE

A meeting of the rural school teachers will be held in the Ponoka school on Saturday, May 21, to consider the events and regulations regarding them for the sports to be conducted on School Fair Day, October 7, 1921. All rural teachers should be present.

Health turns the Clock Backward

Health for Aching Victims of Neuritis

Weekly Health Talk No. 19
By Dr. H. B. Foster, the Chiropractor

When you get a feverish, aching soreness of the arm which seems to have deprived the muscles of power the trouble is neuritis.

Neuritis is an inflammation of the nerve. Its blood vessels expand, there is excessive heat, and there is a discharge of serum into the cells which softens the muscles and degenerates the nerve. The cause is pressure at the spinal nerve opening, and the correction is chiropractic spinal adjustments. If attention is given in time, no serious results follow. The tendency of neuritis, unless the cause is removed is to paralyze the part affected.

Complete Recovery

"If injured for years with what was diagnosed as neuritis. It seemed as though my extremities were gradually becoming paralyzed. Headaches helped to make life miserable. Chiropractic was advised by a friend and after a series of adjustments I was completely cured!"—J. Hyde, Chiropractic Research Bureau Statement No. 12510

What is Threaded Rubber?

THREADED RUBBER applies to only one kind of battery insulation—that between the positive and negative plates of every Still Better Willard Battery.

Every piece of Threaded Rubber Insulation is a thin sheet of specially prepared rubber pierced by hundreds of thousands of tiny threads.

Because of the peculiar combination of threads and rubber, this insulation has the following important advantages over ordinary insulation:

1. It answers once and for all the question of replacing the insulation.
2. It retards in insulating properties to the end of the battery's life.
3. It permits long-dry shipment and storage of batteries.
4. It adds to the life as well as the reliability of the Still Better Willard, the only battery in which it can be had.
